

FREMONT COUNTY EVACUATION PLAN

Evacuation notices will be determined by Fire Management Personnel

LEVEL 1: A Level 1 Evacuation means “**BE READY**” for potential evacuation. Residents should be aware of the danger that exists in their area, monitor emergency websites/systems (NOAA Weather & EMA) and local media outlets for information. This is the time for preparation and precautionary movement of persons with special needs, mobile problems and pets and livestock. If conditions worsen, emergency personnel may contact you via an emergency notification system.

LEVEL 2: A Level 2 Evacuation means “**BE SET**” to evacuate.

YOU MUST PREPARE TO LEAVE AT A MOMENT'S NOTICE

This level indicates there is significant danger to your area, and residents should either voluntarily relocate to a shelter or with family/friends outside of the affected area, or if choosing to remain, to be ready to evacuate at a moment's notice.

Residents MAY NOT have time to gather necessary items, doing so is at their own risk.

THIS MAY BE THE ONLY NOTICE THAT YOU RECEIVE

Emergency services cannot guarantee that they will be able to notify you if conditions rapidly deteriorate. Area media services will be asked to broadcast periodic updates.

LEVEL 3: A Level 3 Evacuation means “**GO**” Evacuate NOW!

LEAVE IMMEDIATELY!

Danger to your area is current or imminent, and you should evacuate immediately. If you choose to ignore this advisement, you must understand that emergency services may not be available to assist you further. DO NOT delay leaving to gather any belongings or make efforts to protect your home, your safety is in jeopardy!!!

LEVEL 3 IS THE LAST NOTICE THAT YOU RECEIVE
